

Darwin / Barstool
Design / Lucidi / Pevere

Test
EN581-1 / EN581-2

The ergonomic proportions and lightness of structural lines guarantee both comfort and functionality. Darwin is a steel collection, which revisits classic themes, in a delicate metal sheet mesh placed within a contemporary geometric structure. The Darwin range consists of chair, armchair, tables, barstool and counter table, sofa, lounge chair and coffee table. Defined by its exceptional style, Darwin is suited to all kinds of furnishing contexts.

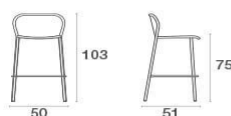

Description

Code: **523**
Typology: **Barstools**
Collection: **Darwin**

Stackable: 4
Static Load: 200 Kg
Test: EN581-1 / EN581-2
Seat Height: 75 cm

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosion process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
